Dear Sir,

**Re: BASIC EDUCATION CERIFICATE EXAMINATION FOR SCHOOL CANDIDATES, 2023
PAYMENT OF OUTSTANDING REGISTRATION FEES**

Your letter of 14 Nov 2023 reference NEAD/CORR/GES/SCH/VOL.IV/304, concerning Axim Manye Academy JHS (0403055), was received with shock.

Payment with registration was duly made, as in years past, through the Exam office of the municipal directorate of Nzema East Axim. The registration fees were paid by the pupils, and it would be irresponsible on our part not to forward the same to WAEC. This was surely not the case!

We have however strangely learnt that the exam officer (one **Enoch Asamoah, Tel 0243231396**), contrary to impression created to private institutions, was doing so on his own, and has since April 2023 vacated his post. He is currently on the run according to the Municipal Directorate of Education, and a suspension notice on Vacation of Post has been placed on him.

Furthermore, the Academy has reported the matter to the police and engaging with the Director of Education on the way forward. We find it difficult to imagine how pupils will have registration numbers and are allowed to write the BECE examinations without payment! We kindly demand that WAEC investigates this matter thoroughly.

Meanwhile and with reference to the last paragraph, the Academy pleads for time to ensure resolution of the matter.

Yours sincerely,
